- **Restricted to 45 feet.**

Cannot have motor home pulling semi trailer unless motor home meets criteria and fees are paid as if a truck including weight of semi trailer. 341.25(g).

Dealer Plates are not allowed unless for sale and empty!!

Chapter 341.47

Interstate

Apportioned Registration and Fuel Tax Required When

- Power unit has a registered or gross weight that exceeds 26,000.
- Power unit has three or more axles.
- Combination registered or actual weight exceeds 26,000 pounds.

72 hour Trip Permit is available to cover both registration and fuel tax.

IRP Section 608-266-9900

Reciprocity with following States:

Fuel Tax (30 miles)

- Minnesota and Iowa

Registration (30miles)

- Minnesota, Michigan, and Iowa

Vehicle Marking

If you are operating a commercial motor vehicle you need a USDOT number! If you comply with the guidance below you do not need to display empty weight or the city and state information. See Federal Regulation 390.21 for reference.

Interstate and Intrastate if USDOT Number is issued.

- Name as listed on the MCS-150 form
- USDOT Number – example USDOT 111111
- Size visible at 50 feet in contrasting color.

Hazardous Materials
Code of Federal regulations

Materials of Trade – 173.6

Exempt from regulations if the maximum is not exceeded.

Methanol- Packing Group II

- Containers up to 66 pounds or 8 gallons
- Total quantity can not exceed 440 pounds
7 pounds a gallon X 5 gallons = 35 pounds
Twelve 5 gallon cans = 420 pounds

If not exempt:

- Must placard at 1000 pounds and have HazMat CDL.
- Shipping paper in holder on drivers door.
- Label Containers
